Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Mercy Autism Diagnostic and Treatment Clinic – Branson in fiscal year 2022.

The entity to receive funding for this project is Arc of the Ozarks, located at 1501 E. Pythian Ave., Springfield, MO, 65802.

The funding would be used to support the costs associated with the start-up and operational expenses of this vital project designed to provide Autism Spectrum Disorder comprehensive evaluation and treatment services for children and their families who reside in Southwest Missouri through a collaborative partnership between Arc of the Ozarks and Mercy.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
