The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting $5,000,000 for the Route D to Buffalo Road Connector and design of the East Loop Road. The entity to receive funding for this project is the City of Bolivar, Missouri, located at 345 S. Main Ave., Bolivar, MO, 65613.

The funding would be used for the design and construction of a new north-south transportation route on the eastern side of Bolivar. The Route D to Buffalo Connector will begin at the intersection of State Highway 32 and Route D on the north, and end at Buffalo Road on the south. The construction of this project is the first phase of the larger Bolivar East Loop Road project which has been in the planning stage for over 20 years. This request includes completion of the planning, environmental review, and final design of the entire East Loop Road which would begin at Route D on the north and tie in to State Highway 83 on the south.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Billy Long
Member of Congress
