The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for City of Springfield Jordan Creek stormwater basin project for fiscal year 2022.

The entity to receive funding for this project is City of Springfield, located at 840 N. Boonville, Springfield, MO, 65802.

The funding would be used to construct a regional detention basin and upgrade sanitary sewer to mitigate flooding and improve water quality of Jordan Creek in Downtown Springfield, Missouri. Once complete, this stormwater basin will increase flood storage and reduce peak discharges downstream, greatly minimizing flood depths and frequency of flooding.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Billy Long  
Member of Congress
